3. Master> SCM > Add Templates

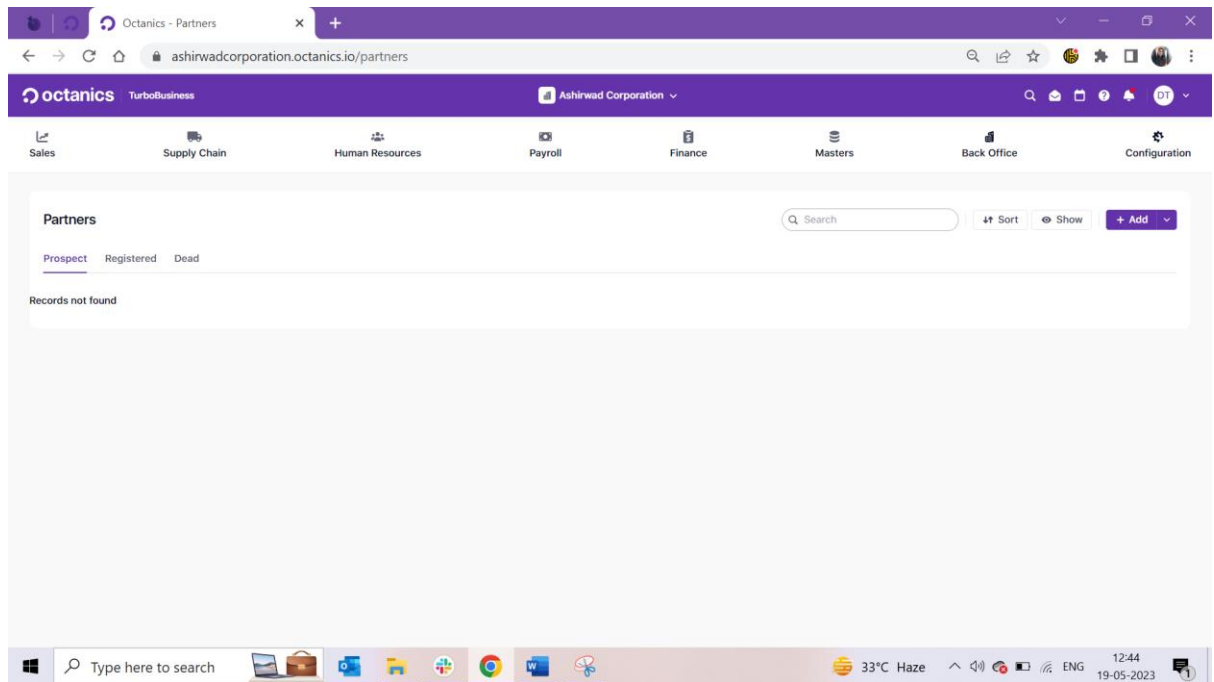

4. SCM> Supplier> there are no supplier contact and address details

The screenshot shows the 'Add Supplier' form with the following fields:

- Supplier Types: Supplier
- First Name: Enter First Name *
- Last Name: Enter Last Name *
- Company Name: Enter Company Name
- GST No: Enter GST Number
- Note: Enter Note
- Raw Material: Select Raw Material
- Product: Select Product

when clicked on cancel button in SCM> Suppliers- Partner's page of Franchise Module appears. (same issue comes up in Turbo as well).

5. SCM> Add Production Planning since there is Product Configuration
